City Council District 6

Helen Rosenthal

Lincoln Square / Upper West Side

Rank by Largest Number of Family Shelter Units

out of 10 districts in Manhattan

out of 51 districts in New York City Rank by Highest Percent of Homeless Students

out of 10 districts in Manhattan

35 out of 51 districts in New York City

Highlights

More than 1,200 District 6 students had been homeless in the last five years, yet the community has only one family shelter.

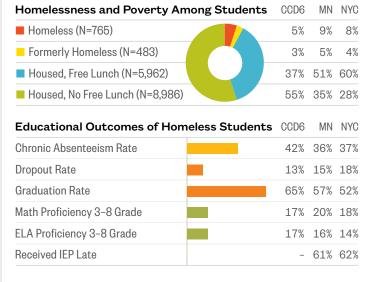

Homeless students in District 6 struggle with twice the chronic absenteeism rate of all students citywide and were absent more than their homeless peers in both Manhattan and New York City overall.

1 out of 13 District 6 students experienced homelessness in the last five years

affordable units lost
between 2005 and 2016

Family Shelters

54 units 3% of Manhattan units 0.5% of NYC units

1 family shelter 3% of Manhattan shelters 0.3% of NYC shelters

Neighborhood

20% of households are severely rent burdened

6% of people are unemployed

16% of people work in low-wage occupations

4% of people have less than a high school education

of single mothers with children under five live in poverty

Note: The number of homeless students represents the council district where students attend school; homeless students may attend schools in districts where they do not live. Students who experienced homelessness in the last five years is the ratio of currently homeless students provided in the district. Formerly homeless students are defined as those who are currently homelessness at any point during SY 2010-11 to SY 2014-15. Chronically absent students are those who miss 20 or more school days in a school year. Late IEP is defined as received after Kindergarten. Data represent a cohort of students who entered Kindergarten in SY 2010-11 and received an IEP at as received after Kindergarten. Data represent a cohort of students who entered kindergarten in SY 2010-11 and received an IEP at a school year. Late IEP is defined as received after Kindergarten. Data represent a cohort of students who entered Kindergarten in SY 2010-11 and received an IEP at a few point during the next five years. Math and English proficiency rates refer to students who score a 3 or above on the New York State Education Department Math and English Language Arts tests. Dropout and graduation data represent the four-year dropout and graduation rates for students who entered high school in 2011 and experienced homelessness at any point during their high school career. Low-wage occupations are defined as those with annual median salaries at or below \$28,583, which is 150% of the Federal Poverty Level for a family of three in 2014. Households that are severely rent burdened spend 50% or more of their income on rent. Districts 8 and 34 are split between broughs, and the numbers used in the borough rankings are for the section of the district that falls in that borough. Percentages may not add to 100% due to rounding. Some data by district may be redacted due to privacy or data accuracy. When data are redacted, the symbol "--" will appear instead.
