Projects supporting efforts to address homelessness:

VISTA members served with 170 organizations that work to end or prevent homelessness.

42 AmeriCorps projects transitioned over 11,366 economically disadvantaged individuals, including individuals experiencing homelessness, into safe, healthy, affordable housing.

AmeriCorps NCCC members built approximately 239 houses for economically disadvantaged Americans and assisted approximately 20,950 people experiencing homelessness.

130 projects engaged 600 volunteers providing mentoring and support to 2,193 homeless children. Over 1,858 economically disadvantaged individuals, including individuals experiencing homelessness, were transitioned into safe, healthy, affordable housing.

Beyond our efforts addressing homelessness, our focus includes:

Education

Economic Opportunity

Veterans & Military Families

Disaster Services

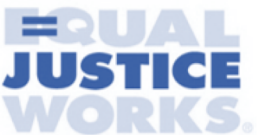

Healthy Futures

Environmental Stewardship
